

HASSI MESSAOUD UPSIDE NORTH PROJECT

CERTIFICATE OF APPRECIATION

WEG TEAM

We, Sonatrach and JGC, are grateful for your contribution to this project through commissioning & start up activity in medium voltage frequency inverter MVW01, MV transformer and MV motor , even training course for operation & maintenance, excellent coordination and big effort made at for success of HMD-UN PJ. Your continuous assistance & support after start-up for end-user would be expected as well.

We would like to express our gratitude to you and provide this certificate of appreciation.

APRIL 14, 2021
Yours sincerely

K. Bennouna
Project Manager, Sonatrach
